

Hello Everyone!

Happy June to you all!

You are almost finished the totally wild adventure of learning from home. The final stretch is here - you can do it!

There is ONE more package after this one.

Today's (June 2nd) package will be the last delivered to you by the bus.

The last package will be ready for you June 9th. Families need to pick up this final package at the school (front doors).

This final June 9th package will be two weeks worth of learning (June 9th - June 19th).

Remember that ALL school work must be handed in (to the school or electronically) by **Friday, June 19th**.

I am confident in your ability to organize and prioritize your learning until June 19th. A superstar student will:

- ✓ **Check in with me** about what assignments they still need to complete
- ✓ **Send me questions** about what you do not understand
- ✓ **Organize work to hand in** and send it to me ASAP
- ✓ Complete as much **learning** as is healthy for your life schedule before June 19th to be best prepared for September.
- ✓ Inquire about Manitoba's *free* Summer School program for any course you would like to retake this summer.
- ✓ **HOLD ON TO ANY PACKAGES YOU DO NOT COMPLETE.**
These will be a great resource for you in September, to fill the gaps in learning.

Come June 19th you can cut loose and enjoy summer holidays!

I cannot wait to reunite with you in September.

I hope you are staying healthy and happy.

Please let me know if you have any questions,

Ms. Burns
